Allen Engineering Receives Exporter of The Year Award from EXIM Bank

September Mon, 2020
Published In Corporate News

Paragould, Arkansas USA – Allen Engineering, a premier leader in manufacturing concrete equipment, was one of thirteen small businesses awarded the Exporter of The Year Award by Export-Import Bank of the United States (EXIM).

Allen Engineering is very honored to have been awarded the Exporter of The Year Award and looks to continue working with its global partners and customers - without whom the award would not have been possible.

Allen Engineering is a small, family-owned and operated business in the heart of Paragould, Arkansas. The company employs over 130 Northeast Arkansas residents to help design, build, market and sell the Allen Engineering product offering that is comprised of placing, finishing, polishing, and paving equipment. For more information on all things Allen Engineering, visit www.AllenEng.com.
