AEC was recently honored as one of 13 small businesses that received the Exporter of The Year Award by Export-Import Bank of the United States (EXIM).

AEC is very honored to have been awarded the Exporter of The Year Award and looks to continue working with its global partners and customers - without whom the award would not have been possible.

AEC has been using EXIM Bank Export Credit Insurance for over 25 years as a means to grow its international sales. EXIM has been a great partner to AEC and its efforts to promote and sell USA designed and manufactured Allen equipment around the world.
