Westside Concrete Accessories (Westside) based in Hillsboro, OR was recently presented an AEC Top Dealer Award for their outstanding performance in 2019. Jay Allen (President of AEC) presented this award to Cheryl Russell (Owner of Westside) at the World of Concrete in Las Vegas.

Westside founded in 1988 is a family owned, family operated concrete equipment and supply dealer focused on serving the needs of professional concrete contractors in Oregon and Washington. Westside stocks, sells, services, and rents the full line of Allen Concrete Equipment which has made them a perennial top performer among Allen Dealers in the USA.

“Over the years, Westside has proven to be an invaluable dealer to AEC. Their expert knowledge and experience of concrete positions them to be one of the best in the business. We are pleased and honored to partner with such a fine company as Westside in the Pacific Northwest.” - Jay Allen
