Paragould, Arkansas USA - Allen Engineering Corp. recently announced that Kyle Baker has been promoted to National Sales Manager for all sales operations in the United States and Canada.

Baker has more than 15 years of experience in the construction equipment industry. Baker started his career in equipment sales working for some of Allen's largest dealers in Texas. He has very successfully served Allen as a territory sales representative since joining the company in 2014.

In his new position, Baker will be responsible for managing, training and recruiting all the Allen direct sales personnel as well as the independent sales representatives that sell Allen Equipment in the United States and Canada. Baker will also be AEC's main point of contact for all field sales operations for dealer, national and rental accounts promotions, activities and events.

Allen Engineering Corporation (AEC) is headquartered in Paragould, Arkansas USA. The company designs, engineers, manufactures and markets concrete and related equipment with a number one goal of Total Customer Satisfaction.

AEC is a family-owned, American provider of high quality equipment that is sold and rented through a network of dealers and rental centers around the world. For more information, visit the AEC website at www.alleneng.com.
