What ANCON can do for you!!

If you are to construct high quality floors with or without World Class Burnish, ANCON can both train your team to do it and also supply the World's Leading Construction Equipment with Somero® Laser Screeds and Allen Engineering Truss Screeds & Hand Tools - all USA design, stock, parts and high quality.

Measure the floor with a FACE® Dipstick Floor Profiler!

Do it yourself, achieve quality and SAVE MONEY as do the above customer. ANCON, Somero® and Allen will help!
