Carroll Distributing & Construction Supply, Inc. a employee-owned distributor that has been providing quality construction materials and equipment to contractors for over 63 years.

They have 25 locations spanning the Midwest from Nebraska to Ohio. From road projects on the plains of Nebraska to skyscrapers on Lake Michigan.

Brian Wronski, Allen's Territory Sales Representative (TSR) for their region, had nothing but positive remarks for working with Carroll. "Though each location focuses a little differently, they do a great job selling, servicing and even renting equipment," said Wronski.

We are delighted to have a partnership with Carroll. We have been thrilled with their performance over the last 13 years, and we look forward to many more years of working together.
