Published In Corporate News

Paragould, Arkansas USA – We are excited to introduce Kevin Strickland to the AEC family. Kevin has accepted the role as Allen Engineering Corporation's (AEC) new Pacific Northwest Sales Rep.

Jeff Johnson, National Sales Manager, announced Kevin Strickland as the new Territory Sales Representative of Allen Engineering Corp. (AEC). Kevin joined AEC in May of 2023 and will be responsible for the sales and demos of our entire equipment offering in the Pacific Northwest territory.

otorgarte financiamiento.

Kevin was born in Vancouver, Washington, but raised in Battle Ground, Washington, where he has resided his entire life. In his spare time, he enjoys hunting and other outdoor activities. He also enjoys traveling with his wife, Amy. They are always looking forward to their next adventure. Kevin has 29 years of experience in the industry and an impressive reputation for being hardworking, knowledgeable, and reliable. Throughout the years, Kevin has held roles in various concrete industry organizations and is eager to continue his education on concrete and flat floors. With his experience in building a successful division from the ground up, we are looking forward to seeing him showcase these skills with AEC.https://www.dnpcapstoneproject.com/dnp-admission-essay-writing-services/

Allen Engineering is a second-generation family-owned and operated company focused on solving concrete contractors' greatest quality and productivity issues on their job sites.
