## MPS9910

Allen's new DOT compliant mobile 9910 power sprayer provides the contractor with productivity increases while reducing labor costs. With the ability to safely transport 50-gallon drums or totes up to 550 gallons, this mobile sprayer provides versatility on the job site. The MPS9910 comes equipped with a reversible 12-foot spray boom which ensures consistent coverage to the concrete surface for either large or small applications.
