## RTF EPU

Our engine driven roller tube finishers are self-contained, lightweight, and highly maneuverable roller screeds. Along with the Honda GXH50 engine, these units strike the perfect balance of portability and power for fast and accurate concrete strike-off.

### FEATURES

- Optional counter weight kit available
- High-Speed 300 RPM Gear Box
- Will drive all 4.5" Tubes up to 24'
- Variable speed control handle
- Handles swivel for ease of use and easy storage
