PR0436-B

The E-Trowel is a high-performance battery- powered trowel designed for precise and efficient concrete finishing. It features a powerful 48v machine with a runtime of up to 6+ hours with two 48v batteries. The trowel operates at 155 RPM, ensuring rapid, uniform finishing with minimal effort. It is built for durability while remaining maneuverable. Key features include a 2-year warranty, LED lights, a quick-disconnect handle, variable speed, and an electric pitch adjustment for optimal blade angles.
